DEFINITIONS

Unit: One unit on this transcript has been converted to/is the equivalent of a standard semester hour. Withdrawn courses and courses with grades of D or F, which were successfully repeated for satisfactory grades, have been excluded per school's academic forgiveness policy.

Term/End Date: When available, the specific month and year in which units were completed are reflected. If unavailable, overall school term schedules or more general timeframes used. The most specific timeframe closest to the month and year of completion is reflected. Information utilized within on this document was provided by the student directly and not the institutions mentioned. This document is not an official academic document.
